11/5/24, 11:25 AM Schedule Planner

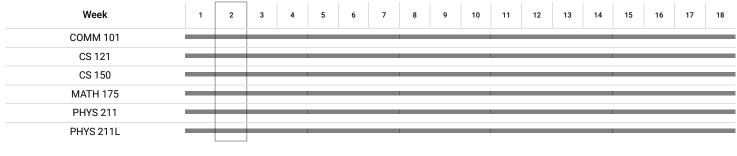

Potential Schedule for Spring 2025

You are viewing a potential schedule only and you must still register.

Warning:
This schedule includes classes on more than one campus - be sure there is ample travel time between classes.

| Communication Computer Science II 58830 CS 121 01 195 Lecture Wilder, Michael D. Prerequisites Computer Organization and Architecture Prerequisites Calculus II 53279 MATH 175 10 20 Video Pawlina, John R. Engineering Outreach (EO) eo.uidaho.edu. Additional course fees apply see Fees Only section for details. Engineering Physics I 77710 PHYS 211 06 23 Lecture Assigned Physics I 77710 PHYS 211 06 23 Lecture Prerequisites Assigned MWF 11:30pm - 2:20pm - Engineering Outreach (EO) eo.uidaho.edu. Additional course fees apply see Fees Only section for details. This section is delivered by Engineering Outreach (EO) eo.uidaho.edu. Additional course fees apply see Fees Only section for details. This section is delivered by Engineering Outreach (EO) eo.uidaho.edu. Additional course fees apply see Fees Only section for details. Assigned This 3:30pm - 4:20pm - BUCHANAN ENGINEERING/PHYSICS BLDG 122 Prerequisites Additional course materials required \$35. See syllabus. | Title | CRN # | Subject | Course | Section | Seats Open | Schedule Type | Instructor | Day(s) & Location(s) | Campus | Credits | Instructio Mode |
